DECLARATION REGARDING BSE / TSE

Transmissible Spongiform Encephalopathy (TSE) risk statement

Product	Magnesium Stearate, grade VeraStear MV
Lot number	VO-260729-11
Manufacturing site	Verdant Oleochemicals Sdn. Bhd., Plot 18, Tanjung Langsat Industrial Estate, Pasir Gudang, Johor, Malaysia
Addressed to	Brightvale Pharmaceuticals Ltd.

We, the undersigned, declare that for the product named above:

#	Statement	Status
1	The product is not derived from, and does not contain, material from ruminant species (bovine, ovine, caprine) other than as stated in the table below.	[X] Confirmed
2	No tissues designated as specified risk material (SRM) are used in manufacture.	[X] Confirmed
3	Cross-contamination with animal-derived material is prevented by dedicated equipment or validated cleaning.	[X] Confirmed
4	The manufacturing process complies with the Note for Guidance EMA/410/01 (current revision) on minimising the risk of transmitting animal spongiform encephalopathy agents via medicinal products, and with Ph. Eur. general chapter 5.2.8.	[X] Confirmed

Animal-origin materials used (including processing aids)

Material / source	Species / tissue	Country of origin	TSE risk assessment
Fatty acids: palm kernel / palm oil	Plant	Malaysia	Not applicable (plant origin)
Processing aids / catalysts	Mineral / synthetic	n/a	No animal-derived substances used

No material of animal origin (including tallow, glycerol or gelatin) is used in manufacture, in processing aids or in packaging that contacts the product.

Conclusion: Based on the above, the product presents a negligible risk with respect to BSE/TSE. This declaration is valid for lot VO-260729-11 and for 36 months from the date of signature unless the process or raw material sources change, in which case the customer will be notified.

Date: 14 September 2026

CERTIFICATE OF QUALITY

(Certificate of Analysis)

Product	Magnesium Stearate, grade VeraStear MV
Pharmacopoeia	Ph. Eur. 0229 / USP-NF / JP (harmonised)
CAS number	557-04-0
Batch / Lot number	**VO-260729-11**
Date of manufacture	29 Jul 2026
Retest date	28 Jul 2028
Batch size shipped	4,000 kg (200 bags x 20 kg)
Specification	SPC-MGST-MV Rev. 4
Customer / PO	Brightvale Pharmaceuticals Ltd. / BP-PO-45013302

Test	Method	Specification	Result
Appearance	Visual	Fine white powder	Complies
Identification (fatty acid composition, GC)	Ph. Eur. 2.2.28	Stearic acid NLT 40 %; stearic + palmitic acid NLT 90 %	Stearic 62.4 %; sum 98.1 %
Acidity or alkalinity	Ph. Eur. monograph	NMT 0.05 mL 0.1 M NaOH or HCl	0.02 mL
Loss on drying	Ph. Eur. 2.2.32	NMT 6.0 %	3.4 %
Chlorides	Ph. Eur. 2.4.4	NMT 0.1 %	<0.05 %
Sulphates	Ph. Eur. 2.4.13	NMT 1.0 %	0.3 %
Magnesium content	Ph. Eur. 2.5.11	4.0 % to 5.0 % (dried basis)	4.5 %
Cadmium	ICP-MS	NMT 3 ppm	<0.5 ppm
Nickel	ICP-MS	NMT 5 ppm	<1 ppm
TAMC	Ph. Eur. 2.6.12	NMT 1000 CFU/g	<10 CFU/g
TYMC	Ph. Eur. 2.6.12	NMT 100 CFU/g	<10 CFU/g
Salmonella	Ph. Eur. 2.6.13	Absent in 10 g	Absent

Conclusion: The batch described above has been tested in accordance with the approved specification and **complies** with all requirements of Ph. Eur. 0229. Released for supply on 12 Aug 2026.

This certificate has been generated by a validated electronic system and is valid without handwritten signature.

Subject: Supplier documentation for Magnesium Stearate (VeraStear MV), Lot VO-260729-11 - your PO BP-PO-45013302

Dear Mr. Hargreaves,

Thank you for your order BP-PO-45013302. Please find enclosed the supplier documentation package accompanying the delivery of **Magnesium Stearate**, grade VeraStear MV, lot VO-260729-11, quantity 4,000 kg (200 bags x 20 kg).

The package has been compiled in line with your Quality Agreement and contains the documents listed below. All documents refer to the lot above and are valid as of the date of this letter.

Enclosures

No.	Document	Reference
1	Certificate of Quality (Certificate of Analysis)	CoQ-VO-260729-11
2	Packaging Specification	PS-MGST-VERAST
3	BSE/TSE Declaration	TSE-VO-260729-11
4	Material Description / Product Data Sheet	MD-MGST
5	Supplier Qualification Summary	SQ-VER-2026-007
6	Chain of Custody Record	COC-VO-260729-11

Should you require any additional information or wish to discuss any aspect of this delivery, please contact Ms. Tan Mei Ling (Regulatory Affairs Executive) at quality@verdant-oleo.example.

MATERIAL DESCRIPTION / PRODUCT DATA SHEET

Material name	Magnesium Stearate
Grade / trade name	VeraStear MV
CAS number	557-04-0
Molecular formula	$Mg(C_{18}H_{35}O_2)_2$ (mixture of stearate and palmitate salts)
Molecular weight	591.3 (as stearate)
Pharmacopoeial compliance	Ph. Eur. 0229 / USP-NF / JP (harmonised)
Document no.	MD-MGST / Rev. 5

Description

Fine, light, white powder, greasy to the touch. Prepared from fatty acids of exclusively vegetable origin (palm kernel and palm oil), converted to the magnesium salt by precipitation.

Manufacturing overview

Vegetable-derived fatty acids are neutralised with a magnesium source in aqueous medium, precipitated, washed, dried and micronised. No organic solvents are used.

Physical properties

Practically insoluble in water and in ethanol (96 %).

Intended use

Lubricant in tablet and capsule manufacture.

Regulatory and quality statements

Topic	Statement
GMP	Manufactured in accordance with the IPEC-PQG Good Manufacturing Practice Guide for Pharmaceutical Excipients.
Elemental impurities	Risk assessment per ICH Q3D available; no intentional addition of elemental impurities.
Residual solvents	No organic solvents used (ICH Q3C: not applicable).
Nitrosamines	Risk assessment performed; no sources of nitrosating agents or secondary amines identified.
GMO / irradiation	Not genetically modified; not irradiated.
Allergens	No allergens declared. Manufactured in a nut-free, dairy-free facility.

PACKAGING SPECIFICATION

Product	Magnesium Stearate, grade VeraStear MV
Document no. / revision	PS-MGST-VERAST / Rev. 3
Effective date	01 Mar 2026
Applies to	All lots supplied to Brightvale Pharmaceuticals Ltd.

1. Scope

This specification defines the packaging materials, pack sizes and labelling for Magnesium Stearate (VeraStear MV) supplied as a pharmaceutical excipient. Changes require written notification under the Quality Agreement.

2. Packaging components

Level	Description
Primary (product contact)	LDPE inner liner, 100 um, natural, twist-tied
Secondary	3-ply kraft paper bag, 20 kg net, printed with product name and lot
Tertiary / transport	Pallet 1100 x 1100 mm (ISPM 15 stamped), 40 bags per pallet (800 kg), shrink-wrapped, 5 pallets per 20 ft container

The primary liner complies with Commission Regulation (EU) No 10/2011 and is free of animal-derived additives. Declarations of compliance are available on request.

3. Pack data

Parameter	Value
Net content per bag	20.0 kg +/- 0.1 kg
Approx. gross weight	20.35 kg approx.

4. Labelling

Each bag and each pallet carries a label with the following minimum information:

Field	Content
Product name and grade	Magnesium Stearate - VeraStear MV
Batch / Lot number	Alphanumeric lot number, e.g. VO-260729-11
Pharmacopoeial status	Ph. Eur. 0229 / USP-NF / JP (harmonised)
Net weight	20.0 kg +/- 0.1 kg
Manufacturer	Verdant Oleochemicals Sdn. Bhd., Plot 18, Tanjung Langsat Industrial Estate, Pasir Gudang, Johor, Malaysia
Date of manufacture / retest date	As printed on label (DD Mon YYYY)
Storage statement	Store in a dry place at 15 - 30 °C, protect from moisture and strong odours.

5. Storage and shelf life

Store in a dry place at 15 - 30 °C, protect from moisture and strong odours. Shelf life: 24 months from date of manufacture (retest thereafter).

6. Tamper evidence and integrity

Liners are closed with a tamper-evident seal. Pallets are secured with numbered transport seals recorded on the Chain of Custody record. Damaged or opened bags must be reported on receipt.

7. Change control

Any change to packaging materials, bag size or labelling will be notified to the customer at least 6 months before implementation.

SUPPLIER QUALIFICATION SUMMARY

Prepared for Brightvale Pharmaceuticals Ltd. - Procurement & Supplier Quality

1. General information

Supplier	Verdant Oleochemicals Sdn. Bhd.
Manufacturing site	Plot 18, Tanjung Langsat Industrial Estate, Pasir Gudang, Johor, Malaysia
Material supplied	Magnesium Stearate (VeraStear MV)
Supplier type	Manufacturer (not a distributor or trader)
Quality contact	Ms. Nurul Aisyah Rahman, Quality Assurance Manager

2. Certifications

Certificate	Scope	Valid until
ISO 9001:2015	Manufacture of pharmaceutical and food-grade ingredients	30 Nov 2027
EXCiPACT GMP	Manufacture of pharmaceutical excipients	14 Mar 2028
FSSC 22000	Food safety management	09 Jun 2027

3. Qualification questionnaire

Question	Response
Is a quality management system in place and maintained?	Yes
Is the site subject to regulatory inspection?	Yes - last inspection 2024, no critical findings
Is a change notification procedure agreed with customers?	Yes (Quality Agreement)
Are subcontractors used for manufacturing?	No
Is a formal batch release procedure operated by QA?	Yes

4. Audit history

Date	Type	Auditor	Outcome
12 Nov 2025	On-site GMP audit	Brightvale Pharmaceuticals Ltd. - Quality	Approved; 2 minor observations, closed
03 Feb 2023	On-site GMP audit	Brightvale Pharmaceuticals Ltd. - Quality	Approved; 1 minor observation, closed

5. Complaints and deviations (last 24 months)

No critical or major complaints. One minor labelling deviation reported in 2025 and closed with corrective action.

6. Approval status

Status	**APPROVED SUPPLIER**
Approved on	20 Jan 2026
Next requalification due	November 2028
Document reference	SQ-VER-2026-007
